

Derby Motor Boat Club - 2010 to 2012

2010

R G Stones was elected Commodore, D Smith was elected Vice-Commodore and N A Whitehead was elected Rear-Commodore.

At the Annual General Meeting in March 2010, Keith Goodman, Secretary of the Club for many years, resigned the position. Audrey Keen was appointed as Secretary of DMBC Ltd.

In September 2010 the Club Rally was held.

2011

In November 2011 the DMBC Council approved the replacement of the existing brick-built toilet block with a purpose-made modular unit. The cost of the unit was met by a generous donation by David Marshall, a long-serving member of the Club. The cost of the groundwork installation was paid from Club funds. The aim was to have completion before the Club Rally in September 2012. *See below for pictures of the installation.*

On the 18th December 2011 padlocks were stolen, one each from the main gate, the adjacent pedestrian gate and the pedestrian gate to Sawley Marina. In January 2012 new padlocks were fitted and keys were issued to all members.

2012

G Warsop memories : Roger Stones has a nice little 30 ft narrowboat, [he] is a comedian.
